[1]IHOP will serve free short stacks all day long on National Pancake Day, Tuesday, Feb. 5, 2013, in support of Children’s Miracle Network Hospitals. All local proceeds will go to the Georgia Health Sciences Children’s Medical Center, the area’s only children’s hospital.

More than 1,500 IHOP restaurants across the United States, including four in the Augusta-Aiken area, will invite diners to enjoy a complimentary short stack of IHOP’s signature buttermilk pancakes and to consider donating what they would have paid, or more, for Children’s Miracle Network Hospitals.

Local participating IHOPs are located at:

- 2525 Washington Road, Augusta
- 3125 Peach Orchard Road, Augusta
- 4361 Washington Road, Evans
- 180 Aiken Mall Drive, Aiken

IHOP’s Pancake Day brought in more than $3,200 for the Children’s Medical Center in 2012.

“Those funds were used by our respiratory therapy team to purchase specialized equipment for patients with asthma and other breathing issues,” said Catherine Stewart, CMN Development Coordinator. “The Children’s Medical Center is a not-for-profit hospital, so we are truly grateful for the financial support from our community

we receive through special events like National Pancake Day."

About GHS Children's Medical Center
