

2010 Bioscience Technology Buyers' Guide

Supplier/Manufacturing Listing Form

Complete this form in order to receive your FREE listings in the **2010 BIOSCIENCE TECHNOLOGY Buyers' Guide**. Your company is entitled to be listed in 5 product categories, which will be included in both the print and online edition of the *Buyers' Guide*. If you wish to have your company listed in more than 5 categories, there is a \$25 charge for each additional listing. Upon completion, sign and fax this form to 973-920-7534.

Note: *The person signing this form should be the contact person if any questions arise concerning your company's listings. The contact name will not be published.* **Signature verifies that your company manufactures the listed products.**

Name/Title _____ Signature _____

A. Corporate Information: Please fill out the following information to ensure the accuracy of your FREE listings. If you are a Subsidiary/Division, indicate the name that takes precedence. FREE listings in the print edition include Company Name, City and State. Online listings also include phone, fax and URL. **Note: Companies listed should be represented by headquarters offices only.**

Company Name:

Address:

City/State/ZIP:

Phone:

Toll Free:

Fax:

URL:

Online Sales Leads Email Address: You will receive sales leads via the online presence you establish through your directory listings, which are published on our website – www.BioscienceTechnology.com. Please provide us with an email address to which we may forward these leads. Your email address will also be published in the 2010 print version of the *Buyer's Guide*.

Email: _____

B. Free Product Listings:

All companies receive 5 FREE listings. Display advertisers in the 2010 *Buyers' Guide* are entitled to unlimited listings. If your company was not listed in last year's *Buyers' Guide*, refer to the Product Code Booklet located here and indicate the code numbers that correspond to the products/ services you provide in the spaces below. *Note: We have revised the Product Code Booklet from last year to include many new product categories. Keep this in mind when renewing your listings from last year.*

1. _____ 2. _____ 3. _____ 4. _____ 5. _____

C. Additional Listings: FREE product listings are limited to 5 categories for non-advertisers. There is a charge of \$25 for each additional listing. If you would like to purchase additional listings, use the space provided below to indicate the corresponding product codes. (If you plan to advertise in the 2010 *Buyers' Guide*, use the space below for your additional listings. Please include a copy of your advertising insertion order when submitting your Listing Form.)

D. Enhanced listings: Your listings in the print edition of the 2010 *Buyers' Guide* will include your company name, city and state (and country, if not the US). In addition, you may include your telephone number or your URL with each of your listings for \$195. You may include both your phone number and your URL for \$300.

- I wish to include my phone number and URL (\$300).
- I wish to include my phone number only (\$195).
- I wish to include my URL only (\$195).

E. Company Logos: You may include a company logo with one of your listings for \$315; three logo/listings – \$795; 10 logo/listings – \$1,855.

E. Call Ads: Column-inch display advertisements are available to enhance your listings.

- I am interested in placing a Call Ad; please have a representative contact me.

F. Display Advertiser Benefits (Available to all 2010 *Buyers' Guide* Advertisers):

- **Product Category Ad Association:** Each of your listings will be cross-referenced to your display ad.
- **Company Logo:** Your company logo will be included in the Supplier Directory section of the online *Buyer's Guide*. Email your logo to Danielle DiSessa at danielle.disessa@advantagemedia.com.
- **Company Description:** A 55-word description of your company will appear in the online *Buyers' Guide*. If you plan to advertise in the 2010 *Buyers' Guide*, type or print your 55-word description below.

G. METHOD OF PAYMENT: Please make checks (drawn on a US bank in US currency) payable to 2010 *Buyers' Guide*. You are entitled to 5 free listings. If you select more than 5 categories, you will be billed \$25 for each additional listing.

METHOD OF PAYMENT: COMPANY CHECK MASTER CARD VISA AMERICAN EXPRESS

Credit Card Number _____ Expiration Date _____

Print name as it appears on card _____

Authorized Signature _____ Date _____

If you have any questions, please contact the Directory Department at 973-920-7488, by fax 973-607-5681 or email: directories@advantagemedia.com. *Note: Although every attempt will be made to process all listings, we cannot guarantee the accuracy of information when faxed or submitted after the deadline date indicated below.*

30620 Benchtop Chillers
 24285 Concentrators
 24295 Graduated Cylinders
 24305 Digestion Apparatus
 24360 Filling Systems

24490 Robotic Systems
 24495 Sample Containers
 24520 Sample Preparation Supplies
 24545 Automatic Sampling Systems
 24550 Sampling Valves
 24555 Magnetic Separators
 24570 Shipping and Sample Handling Containers
 24580 Sieves
 24605 Solvent Delivery System
 24625 Synthesis Equipment
 24650 General Valves
 24655 Injection Valves
 24660 Metering Valves

Pipets

24895 Micropipette Pullers
 24930 Glass Pipets
 24940 Micro Pipets
 24945 Plastic Pipets
 24955 Pipette Controllers
 24965 Calibrators Pipettors
 24925 Safety Fillers

Pipettors

24985 Adjustable Volume
 24960 Automated
 24967 Fixed Volume
 24935 Manual
 24905 Multi-channel Pipettors
 24910 Pipet Tips
 24915 Pipet Tips w and Filters

Sample Preparation Apparatus

24315 Diluters, Automated
 24320 Manual Diluters
 24335 Automated Dispensers
 24340 Automated Bottle-top Dispensers
 24345 Manual Dispensers

Syringes

25180 Syringe Needles
 25185 Automated Syringes

SPECTROMETRY AND SPECTROSCOPY**Accessories**

26550 Calibration Standards
 26555 Cell Positioning Equipment
 26565 Continuous Flow Cells
 26575 IR Cells
 26590 Micro Cells
 26560 Other Cells
 26600 Quartz Cells
 26605 UV Cells
 26630 Diffraction Gratings
 26650 Spectrometer Filters
 26660 Gratings
 26685 Infrared Light Sources
 26725 Light Sources
 26745 Monochromators
 26760 NMR Sample Tubes
 26775 Photomultipliers
 26780 Photon Counting Instruments
 26785 Diffuse Reflectance Probes
 26790 NIR Probes

Spectrometers

25930 Atomic Absorption
 26065 Lifetime Decay Fluorimeters
 26085 FT-IR
 30510 Ion Trap
 26145 Mass LC
 26170 Capillary Electrophoresis Mass
 26200 Laser Desorption-TOF Mass
 26235 MALDI-TOF Mass
 26160 Other Mass
 29815 Tandem MS and MS Mass
 26280 NIR
 30065 NMR Spectrometers
 30515 Quadrupole
 26350 Raman
 26420 Spectropolarimeters
 26425 Spectroradiometers
 26430 Spectroscopes
 26455 UV
 26465 UV-Vis-IR
 26470 UV-VIS-NIR
 26460 UV-Vis Spectrometers
 26475 Visible Light
 26485 X-Ray Spectrometers
 26490 X-ray Diffraction
 26495 X-Ray Energy Dispersant
 26500 X-ray Energy Dispersive
 26505 X-ray Fluorescence
 26510 X-ray Photoelectron
 26515 X-Ray Wavelength
